CONTROL & CARE

A smarter way to manage travel

Technology and personal service work together to help companies plan, book and track business travel.

- **Travel management**

Company and traveler profiles, policy implementation, negotiated rates and financial reporting.

- **Travel care**

Travel insurance, lounge access, VIP services and assistance throughout the journey.

- **Your travelist**

On-demand or in-house expertise, a dedicated account manager and 24/7 travel-center support.

- **Flexible payments**

Payment methods and plans supported by partnerships with local and regional banks.

Employees can use a corporate account to access travel services, holiday packages, tours and attractions.

MICE

Bring people together

From a meeting to a conference or incentive trip, our team coordinates the details so your people can focus on the experience.

- **Planning & coordination**

Budgets, venues, supplier negotiations, registrations, staffing and on-site management.

- **Group travel**

Negotiated group rates, airport check-in arrangements, in-destination support and tours.

- **A complete event experience**

Audio-visual, staging, signage, interpretation, catering, entertainment and team building.

- **Conferences & exhibitions**

Bid assistance, websites, sponsorship, exhibition management, kits and final reporting.
